i want to take my readers in to the world of past life regression and help them understand that there is another life that we indeed do live some of us remember some of us believe we are just dreaming when in fact we are having flashbacks of our previous life my story is true and given in much detail to help one comprehend all the emotions felt during my past life and how it revealed itself in to my present day life the journey is a long enlightening and sometimes painful but bittersweet

in this work the author addresses a perennial question how does someone recover from a catastrophic disaster or other personal tragedy the answer she suggests may come from coastal residents who survived the 2005 hurricanes katrina and rita these survivors endured a long and painful journey after losing homes and communities in these deadly storms and their experiences provide an authentic and relatable example for other people who must overcome a life changing tragedy the other side of suffering is based on behavioral research conducted by the author in the years after the hurricanes in her research katie cherry logged thousands of miles crisscrossing the louisiana coastline and spoke with over 190 current and former coastal residents with catastrophic losses after katrina the author begins with an overview of the human impact of these disasters and then focuses on the

community impact on two coastal parishes in southern louisiana the incorporation of the personal journal entries of a katrina survivor provides an intimate glimpse into the long days and months that over a million displaced gulf coast residences experienced from this research the author identifies six evidence based principles of healing faith and humor respect and gratitude and acceptance and silver linings colorful illustrations and direct quotes from the respondents bring these principles to life along with a path to healing the book also discusses grief and the new normal after a disaster as well as obstacles that may thwart the healing process ultimately the work emphasizes the importance of recovering daily routines and observances as life goes on after disaster
